What You Will Need to Consider before you Apply for Exchange

Academic Standard
Your academic grades will be taken into consideration when your application is being assessed. A credit grade average is expected of all exchange students throughout their degree. You will be expected to include one official transcript with your application.

Research and Confirm Your Preferred Destination
Researching the country you wish to go to for your exchange placement is an important part of travelling overseas. Consider the climate of each country; the proximity to other destinations you may wish to visit; and the curriculum you will be undertaking in each country.

Costs
We suggest that you would require a minimum of $10,000 AUD to go on exchange (however, this is an indication only). Costs you need to consider are;

- airfare
- visa
- travel insurance
- accommodation
- Food and any activities you may wish to do whilst overseas.

Scholarships are available. Consider carefully which scholarships you may be eligible for and make your application for them in promptly. Some scholarship money may not be available until you return; therefore it is important to communicate with the scholarships office to discuss the scholarship disbursement.
